Dstona' engineered marble, takes your building interiors to the next level of luxury. With a variety of textures over beautiful designs, 'Dstona' adds a whole new dimension to interior decoration.

When you desire to give a royal touch to your home at an affordable cost and traditional materials might not match up with other items of luxury in your home, Dstona certainly is the thing you are looking for!

Dstona' gives a consistently smooth surface finish and shatter resistant nature over complex designs, for elegance as well as affordability.

From bathrooms to living rooms 'Dstona' can cover the walls with elegant profiles; it can create door and lift jambs, cornices and even cover the pillars!
